Congrats Dr. Mandy Cohen on your new role! Glad to hear that you're off to the races at CDC. Look forward to our paths crossing again. Although, I'm just about out the door here as the COVID-19 Response Team winds down.

Look forward to hearing good things about your work.

Good evening trusted colleagues,

Over the last few weeks the inaugural OPPR office has attended multiple briefings and learned an incredible amount of information about the amazing work you are doing at HHS. Thank you for all you have done and continue to do to get us up to speed as quickly as possible. Your time is valuable and we appreciate your patience as we get the office up and running. We are trying to build a clearer understanding of what the USG operations and messaging will be this fall/winter respiratory disease season. With that in mind, we would like you to collaborate across HHS and the interagency to better understand, and where appropriate develop clear messaging for, the following areas:
