Hi Heather,

Doran Fink reached out to us in reference to his past duties, are you able to see if he worked on the assignments below?

He asked:

1. Was I the assigned CMC reviewer for BB-IND (b) (4) ?
2. Was I the assigned CMC reviewer for any IND submissions sponsored by (b) (4) ?

Dear FDA Ethics Official,

Just a quick note as a follow-up to my original email sent 02May2023. In the absence of any specific instructions, I am presuming that I am not conflict restricted with respect to the request from the named party, (b) (4), to provide representational participation before the Agency at a Formal Meeting at their bequest and on their behalf.

Respectfully,

Don Fink

Subject: FW: Requesting Assistance Complying with Post-Employment Restrictions

Dear FDA Ethics Official,

I am forwarding you this short e-mail chain per the recommendation of Regulatory Project Management staff in the FDA Center for Biologics Evaluation and Research, Office of Therapeutic Products.

I am contacting the agency as a matter of due diligence with respect to compliance with post-employment restrictions. As a former FDA/CBER/OTAT/DCGT/CTB employee now working in the private sector for the past 2.5-years as a CMC consultant, I am aware of and familiar with the restrictions outlined in the Summary of Post-Employment Restrictions (January 2022). I am seeking specific counsel from the agency to ensure that I remain in compliance with the following two restrictions that are applicable to All Employees (I was not a "Senior Employee" at any time during my FDA career):

18 US Code 207(a)(1) Permanent Ban on "Switching Sides." Former employees are subject to a lifetime ban on communicating to or appearing before the Government on behalf of their new employer or anyone else regarding specific party matters in which they participated personally and substantially during their entire government service.

18 US Code 207(a)(2) Two-Year Official Responsibility Provision. For two years after leaving federal employment, former employees cannot make representational communications to or appearances before the Government regarding specific party matters that were pending under their official responsibility during their last year of government service.

I am respectfully requesting agency assistance with respect to the following:

1. Was I the assigned CMC reviewer for BB-IND (b) (4) ?
2. Was I the assigned CMC reviewer for any IND submissions sponsored by (b) (4) ?

Project management staff in FDA/CBER/OTP has indicated I contact the Office of Ethics Integrity with respect to this request.

Thank you in advance for your assistance addressing this matter.

Respectfully,

Don Fink
