Hi Dawn –

Thanks for convening the meeting yesterday. It was good to have everyone at the table. Let me know if there are any next steps you want me/cdc to own and run with. We have a few do out around the (b)(5) (b)(5) ...but let me know if others.

I also wanted to share our latest thinking on 2024 CDC priorities. I welcome feedback. For context –

(b)(5)

(b)(5)

I would love your feedback in the (b)(5) space of the priorities. Are there major deliverables for 2024 that you would like to see that aren't captured here?

Thanks,
Mandy

Hi Andrea –

First, thanks for your help with the Federal Safer Workforce Taskforce. Keep us posted on how that goes today. Second, I have connected with Kate and Robin, and they will be following up with more detail on the (b)(5) discussed last night.

Lastly, I wanted to share the latest on CDC priorities for 2024. You have likely seen earlier versions of this – (b)(5) The first page is a summary and then the following three pages have more detail. Obviously, (b)(5)

(b)(5) but wanted to share this before it is final to get your input and feedback. Welcome thoughts.

Thanks,
Mandy

Hi Paul –

I wanted to share our latest thinking on 2024 CDC priorities. I welcome feedback. For context – (b)(5)

(b)(5)

I have shared this as well with HHS leadership for their feedback. Andrea has giving us some feedback related to the (b)(5)

(b)(5) but will flag for you if there are changes to reflect their input.

Let me know if there are major deliverables for 2024, particularly in the (b)(5) space, that you want to see called out specifically.

Thanks,
Mandy
